Date: 29th June 2007

Subject: 7th John Deere Lake Malawi International Angling Tournament (LMIAT) 1-2nd December 2007: Open Invitation to Zone 6 Associations and Clubs.

Dear Fellow Chairman in Angling,

We invite you to participate in the 7th Lake Malawi International Angling Tournament, to be held at Whistlers, Salima, Malawi from 26th November to 2nd December 2007. Rules are enclosed.

The Angling Society of Malawi (ASOM, representing the clubs of LADAC and SoRAC), express our most sincere thanks to the Mpumalanga Team that represented SAALAA in 2006, and the Chipata Angling Club for their support to this annual event. As of 2006, Malawi has joined Zone 6 Artlure, and the event is on the regional calander. In addition, the event has also received special dispensation from the Malawi National Sports Council, Between 2006-2008, the LMIAT is recognized as an official international event and will host a Malawi national team and is permitted to fly Malawi colours.

We have grown from strength to strength thanks to the international support we have received, especially from SAALAA, and from our local sponsors such that in 2006, ***"The event has surpassed all previous standards, making Malawi the warmest heart of Artlure in Africa"***. We are proud of this achievement, and all thanks are due to John Deere, Toyota Malawi, Costantini 85 Ltd, Gaffar Transport and a host of corporate and individual sponsors, and local helpers, for they make it happen.

In-order to plan early, we appreciate your early confirmation, latest by 15th August 2007 so we may obtain National Sports Council clearances, and welcome your logistics requirements.

We look forward to your participation.
Yours sincerely

Sandy Morrison
ASOM Chairman 2007

Richard Hay
ASOM Tournament Director 2007
